

Natural England: Thames Basin Heaths SPA

Consultee response · dated 2026-07-30

1. The site lies within 5km of the Thames Basin Heaths Special Protection Area. Natural England advises that the development is acceptable only if mitigated through SANG provision and a SAMM tariff. Approximately £2,650 per dwelling is expected for the combined contribution.
2. The Habitats Regulations Assessment must be completed before permission can be granted.
